RE: NV LIVE – Nevada Insurance Verification System (NevadaIVS) – Book of Business Reporting Update

The Nevada Department of Motor Vehicles (DMV) is in the process of implementing NV LIVE’s new Insurance Verification System (NevadaIVS). As a result of insurer and partner efforts, the DMV is ahead of schedule for transitioning from dual to single Book of Business (BoB) reporting.

Action Required: Effective immediately, insurers are required to report their BoB to NevadaIVS only and are to cease reporting to the DMV no later than July 31, 2024.

Key Dates for Insurance Companies:

July 31, 2024 - Ability to submit the BoB directly to the DMV will be disabled.

Deadline for insurance companies to move to production with NevadaIVS, making their production web services available (if applicable), and begin weekly BoB data submissions.

NOTE: The DMV still requires the ability to connect to insurers for electronic verification of Nevada liability policies.

If you require assistance, go to www.NevadaIVS.com and click on “Help for Insurance Companies.” Alternatively, you may contact the Help Desk at: Support@NevadaIVS.com.
